GIVING THANKS TO HUNGER FIGHT

In an abundance of caution and in response to the governmental recommendations to continue social distancing, Hunger Fight is changing the annual Thanksgiving event! During the month of November, we will be hosting small groups at our warehouse, instead of our annual large packing event. This will allow all of our partners the opportunity to continue to come together to pack meals and help our community while maintaining social distancing. And for those who are hesitant to join others, we now offer a "virtual" packing event. To learn more email us info@hungerfight.org
