QUARTERLY PACKING EVENT

Community Outreach Event

We started off our second quarter with our quarterly packing event. These events are made available to our corporate sponsors and iDREAM members. Hunger Fight hosts these packing events at our warehouse. We provide the ingredients, instructions, music, and fun. The volunteers that join us for one of our quarterly packing events always enjoy the two hours of controlled chaos. This quarterly packing event yielded 20,328 meals and 800 books which were distributed to those in need in the community.

Thank you to all who made this event possible.

VALDOSTA INAUGURAL COMMUNITY OUTREACH EVENT

New Area Development

One of Hunger Fights' priorities has always been and will always be to expand into additional areas where there is a need. Our goal is to increase the number of children and families we are able to help by providing our meals and books. We recently expanded into the Valdosta, Georgia area. Ritchie Pickron, our Valdosta Area Development Director, has been working around the clock to ensure our meals and books go to those in the Valdosta area who need them most.

On April 30th, we held our Inaugural Valdosta Community Outreach packing event on the beautiful campus of Valdosta State University. This event was beyond just successful and we couldn't be more excited or more grateful. We would like to thank each and every person who participated in and supported this event, from our Valdosta Community Partners to the students who volunteered to come pack meals. 77,616 meals and 3,300 books found their way to the children, families, and individuals who face hunger, food insecurity, or illiteracy in the Valdosta area due to the success of this event. From the entire Hunger Fight team, THANK YOU to all who made this event possible.

We look forward to many more Valdosta Community Outreach packing events in the years to come.

5TH ANNUAL MARION COUNTY COMMUNITY OUTREACH EVENT

This quarter, Hunger Fight held its 5th Annual Marion County Community Outreach Event. Steve Whitehead, the Area Development Director for Gainesville and Ocala, did an amazing job coordinating his first event. The partnering businesses and organizations in Marion County made this event a huge success. We were able to provide 58,968 meals and 2,500 books back to the Marion County Community. All the participants had so much fun and the excitement was even captured by WCJB TV20 News!

6TH ANNUAL ASBURY AUTOMOTIVE PACKING EVENT

Corporate Partner

There are not enough words we could say that would adequately express how grateful we are to have Asbury Automotive as our # 1 Corporate Partner! With their support, we have been able to expand our programs and services clear across the country. Asbury Automotive's passion and enthusiasm for our mission are beyond anything we could ever hope for. Asbury Automotive held a fundraiser to support a packing event this May where over 200 donors raised \$114,896! We were blown away by this accomplishment. The packing event was a huge success with 73,248 meals packed by Asbury General Managers who came from all over the country.

These meals along with 3,000 books will be distributed to those facing hunger, food insecurity, and/or illiteracy in Colorado. Hunger Fight sends a humungous THANK YOU to Asbury Automotive.
